Re: May 8th, 2018, Correspondence
Robinson v. Dannewitz., Et al. 17-cv- 0437

Dear Ms. Brand,

This letter is to acknowledge that I have received your request for medical records and for a list of treating providers.

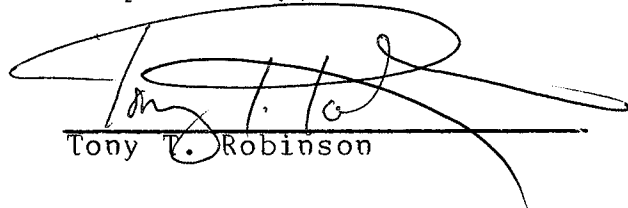

I have no problem providing you the information you are requesting, but at the appropriate time. As of now, the court has not issued a scheduling order setting a time for discovery to commence.

Also, once the court does issue such order, I will ask the court to order that all medical records be filed under seal with the court pursuant to Minn Stat. 13.85, because the medical records you are requesting are classified provide data. Also, I would ask to limit the scope of your request to specific time frames and information. Some of your request is outside the scope of my claims.

One last thing, I appreciate you placing the "open in front of inmate" label on front, but I need you to also place your name under your heading of the envelope. To meet legal mail policy of the institution, the mail must have the label (Open in front of inmate) and the name of the attorney sending it.

I thank you for your attention to this matter.

Respectfully,

Tony T. Robinson

cc: U.S. Dist Court.
